ENF/127/20 Alleged Unauthorised Changes to Front Garden
10 Copse View, East Preston, BN16 1AY

“I write with reference to the reported alleged breach of planning control at the above property.

“A referral to the Council's records has revealed that planning permission has neither been sought nor granted for this development.

“Following the initial investigation by myself, I can now confirm that the development in the form of the new front hardstanding and adjacent pathway constitute a breach of control under the above Act, and that planning permission is required.

“In order to regularise this situation, an application for planning permission in retrospect for the development will have to be submitted within 28 days from the date of this letter. However, the invitation to submit an application does not prejudice either the subsequent recommendation, or the ultimate decision of the Council.

“Should the development remain without the necessary permission, it will still be open for the Council to take enforcement action to deal with the breach of control should we consider it necessary.

“In addition, I can confirm that the vehicular crossover from the public highway benefits from deemed consent by virtue of The Town and Country Planning General Permitted Development Order 2015 - Schedule 2, Part 2, Class B, and therefore, does not require the submission of a planning application in this case.”
